About Us

A SHORT BRIEF WHAT WE DO

CUSTOMIZING THE HOME OFFICE

A PROMISING NAME SINCE 1990 TILL NOW, WE PUT FORWARD A WIDE RANGE OF WIDE, YET EXCLUSIVE COLLECTION OF FURNITURE.

Indeed, you would have substantially invested in buying a beautiful, spacious house. But if you actually want to add to its exquisiteness then well-designed, complementing Furniture is all that you need to make a further investment into.

Furniture is for a house what jewelry is for women. Just as the jewelry makes a woman look all the more beautiful, the Furniture enhances the décor and exquisiteness of the house, restraint, hotel etc.

We, at Al Muntaja Furniture, completely believe in the aforementioned statements. As a forward-looking entity, we deal in Classic, Pintu Rajak Contemporary and Office Furniture. We are based in Dubai and can make available the assorted range of Furniture all over the country in desired styles, finishes and designs. Our excellence lies in bringing forth the best, as per the discussed inputs and within the mentioned timeframe. And this excellence of ours makes us a prominent name as Furniture Manufacturer and Supplier in Duba
