OUR PRODUCTS

Andiroba Oil

We are a prime Manufacturer, Exporter and Supplier of superior quality Andiroba Oil. Andiroba Oil, offered by us, is rich in essential fatty acids, including oleic, palmitic and stearic acid and linoleic acid. Andiroba oil contains up to 65% of unsaturated fatty acids and may contain up to 9% of linoleic acid. This oil is traditionally used by Indians in draining treatment especially after pregnancy.

Andiroba Oil is a massage oil which calms, soothes, relaxes body. It prepares the muscles before exercise, to relax after the stress, and relieve pain. Having anti-inflammatory properties, Andiroba Oil is very effective against inflammation and rheumatism. Chemical analysis of oil Andiroba identified the presence of another group of chemicals called limonoids which impart anti-inflammatory properties to it.

- Has anti-inflammatory properties
- High quality
- No impurities
- Market leading prices

Highlights

OUR PRODUCTS

Buriti Oil

We offer premium quality Buriti Oil to the clients. Buriti Oil, offered by us, is very rich in pro vitamin A. Light oil (carotenoids) contained in the Buruti brings a healthy glow to skin. Buriti Oil is emollient and nourishes skin to help fight against dehydration and prevents sun damage. Further, we are a reputed Manufacturer, Exporter and Supplier of Buriti Oil.

- Beneficial for skin
- Pure
- Hygienic preparation
- Natural

Highlights

OUR PRODUCTS

Castanha Oil

We are widely reckoned as a major Manufacturer, Exporter and Supplier of Castanha Oil. Castanha Oil protects the skin from dehydration thanks to the effects of oleic acid. Castanha Oil is nourishing oil that gives the skin smoothness. Castanha Oil has protective and soothing qualities with combined action of selenium, vitamin E and phytosterols. The Castanha Oil penetrates the skin and does not leave a fatty layer.

Our Castanha Oil is rich in fat-soluble vitamins (A and E), and trace elements (Ca, Fe, Zn, Na, K, and Se) and it also has anti-free radicals properties and strengthens the hairs. Castanha Oil is the perfect ingredient for anti-aging cosmetics and its antioxidant effect eliminates free radicals and prevents the appearance of wrinkles.

- Natural
- Pure
- Medicinal values
- Anti-free radical properties
- It's beautiful oil for hair care and to nourish hair.

Highlights

OUR PRODUCTS

Maracuja Oil

We offer excellent quality Maracuja Oil for the clients. The Maracuja Oil nourishes dry and dehydrated skin and has a soothing effect on irritated skins. The Maracuja Oil, offered by us, contains Omega 6, which gives it the ability to protect the skin against aging and reduces wrinkles and lines.

The passion fruit oil is rich in Omega 3 and 6 fatty acids, which helps in healing the layer of lipid of the skin, thus restoring its smoothness and softness. Maracuja Oil strengthens the skin barrier, keeps the skin moisturized and prevents it from drying out. Maracuja Oil has a high content of lycopene, a chemical that protects the cells from becoming oxidized, as well as in vitamins B2 and B5, which prevents the skin from damages and averts the formation of free radicals, the cause of the anticipated aging of the skin. Maracuja Oil also contains iron, calcium and phosphorus.

- Linoleic acid (70%)
- Omega 6 fatty acid
- Vitamins e and k
- Mineral salts
- Flavonoids

Highlights

OUR PRODUCTS

Andiroba Pitanga Oil

We are one of the most trusted Manufacturers, Exporters and Suppliers of excellent quality Andiroba Pitanga Oil. Andiroba Pitanga Oil, offered by us, is extracted from excellent quality Cayenne Cherry. Our Andiroba Pitanga Oil is free from any kind of adulteration and is extracted by cold pressing process. Andiroba Pitanga Oil has high astringents properties and has high vitamin content.

- 100% Pure and Natural
- Extracted by Cold pressing process
- No artificial / synthetic fragrance, flavor or preservative
- it's a draining oil for cellulite
